

“Projects we have completed demonstrate what we know. Future projects will decide what we will learn.”

“We continue to strive daily to evolve, allowing us to provide better service to our clients by innovation, sourcing the best possible materials, retention and continuous training of management, and seeking out the highest quality craftsmen. That’s what makes us Elite”

Al Smith || **40+ years**
in engineered construction servicing
multiple industries nationwide.

Elite Industrial is built
to support emergency
repairs, scheduled
outages, and capital
projects at every type
of industrial facility.

We handle every aspect of
maintenance and repairs with the
highest quality of craftsmanship,
experience, detail, and safety.

We developed our skill sets from
being on the job for several decades,
working for many of the most well-
known manufacturers in the world.
That’s what makes us Elite.
